Explore & Install Clarii Sounds

For your Clarii mini, Clarii App unlocks a whole new realm of possibilities. Boost your Clarii experience with an expanding library of new sounds, all-in-one performance editors, dedicated tutorials, and more.

Acquire new sounds in Clarii Sound Store. 

Install your favorite sounds by wireless connection to the App, and customize your own Clarii mini.

Sound of True Instruments

A handful selection of Robkoo's true instrument sounds that give you vibe of a pro. From classical orchestral essentials to synth and exotic ethnic tones. And there is a cat in it. A real cat.

Musical Learning Made Easy

Getting started with Clarii mini is a pleasurable easy process. Interactive tutorials and App support are always available to help you master it in no time.

Shake & Play Tones

Tired of learning after all? Play special novelty tones simply by moving it around. Turn Clarii mini into a rainstick, shaker and blade without blowing into it.

Play Clarii mini Anywhere

Clarii mini has a Hi-Fi built-in speaker, fine-tuned for daily entertainment experience. Want to mute the speaker? Just plug in headphones, and you can have some alone time with music.

Slim & Portable Design

With dimensions 46 x 4 x 5 cm and a weight of 263g / 9 oz (approx. weight of an apple), Clarii mini can easily fit in your backpack and turn any place into a sonic playground within a snap of finger.

仅263g

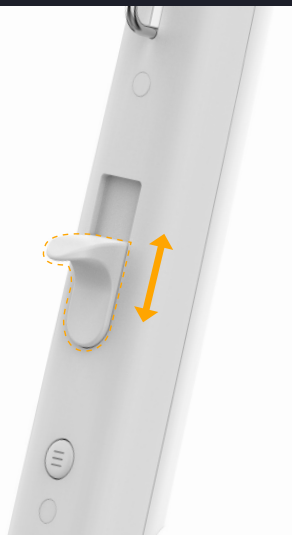

Pick Your Color

Clarii mini comes in 4 different colors: Lunar White, Champagne Gold, Ebony Gold, and Aurora Grey. Innovative RGB light ring gives you real-time reflection of your breath.

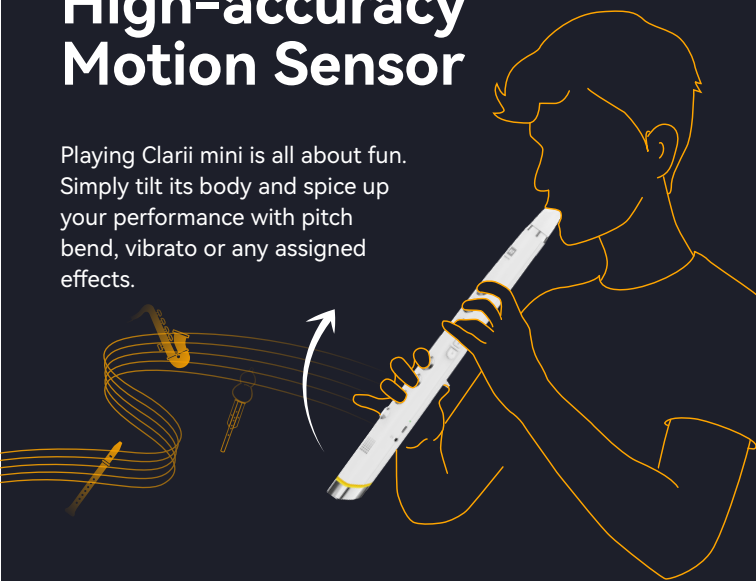

Adjustable Thumb Hook

The position of thumb support is adjustable, so that even kids can play effortlessly.

High-accuracy Motion Sensor

Playing Clarii mini is all about fun. Simply tilt its body and spice up your performance with pitch bend, vibrato or any assigned effects.

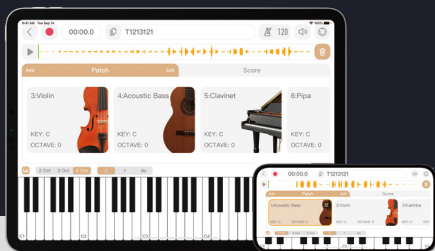

Play Your Way

Clarii mini comes with multiple fingering modes, including saxophone, trumpet and tin whistle. Add custom fingerings and create your own set of scale with JamKoo App.

Go further with JamKoo App.

Download JamKoo App for free to tailor your play experience, play JamKoo sounds, and access step-by-step interactive tutorials.

A Wireless MIDI Controller

Clarii mini is a qualified MIDI controller that supports Bluetooth MIDI. Connect to any DAW, any sound modules to play limitless sounds. USB connectivity is supported as well.
