Introduction of Products

ROBKOO

Clarii mini

Breath.Shake.Play.

Pick Your Color

Clarii mini comes in 4 different colors:
Lunar White, Champagne Gold, Ebony
Gold and Aurora Grey.

Innovative RGB light ring gives you real-
time reflection of your breath.

Sound of True Instruments

A handful selection of Robkoo's true instrument sounds that give you vibe of a pro. From classical orchestral essentials to synth and exotic ethnic tones. And there is a cat in it. A real cat.

Sampling a real instrument is to let the musician play the real instrument and use advanced recording technology to polish each key, dynamics and techniques, and finally present it in the digital wind instrument after more than 30 post-production processes.

Suona patch recording scene. National first-class performer, director of Shanghai Musicians Association, Chenyun Hu.

Shake & Play Tones

Tired of learning after all? Play special novelty tones simply by moving it around. Turn Clarii mini into a rainstick, shaker and blade without blowing into it.

Play Clarii mini Anywhere

Clarii mini has a Hi-Fi built-in speaker, fine-tuned for daily entertainment experience. Want to mute the speaker? Just plug in headphones, and you can have some alone time with music.

Slim & Portable Design

With dimensions 46 x 4 x 5 cm and a weight of 263g / 9 oz (approx. weight of an apple), Clarii mini can easily fit in your backpack and turn any place into a sonic playground within a snap of finger.

Adjustable Thumb Hook

The position of thumb support is adjustable, so that even kids can play effortlessly.

High-accuracy Motion Sensor

Playing Clarii mini is all about fun. Simply tilt its body and spice up your performance with pitch bend, vibrato or any assigned effects.

Clarii App

Tailored for users of the Clarii mini, providing a comprehensive experience of expanding tones, dedicated tutorials, and convenient settings.

Clarii

► **Intuitive Settings**

Personalize your Clarii mini at your fingertips.

► **Install Sounds**

Install your favorite sounds into your Clarii mini, like never before.

► **Take Full Control**

Instantly switch sounds, fine-tune it and adjust your playing styles.

► **Easy Hands-On**

Learn to play with our video manuals.

Wind Synthesizer

R1

MIDI™
Innovation
Awards

Sound Suppliers

With onboard tones sampled from top performers from around the world. R1 saves 10 or even 20 years of practice to achieve the vibe of a pro.

Compatible with all DAWs

Wirelessly or cabled, while connected to an applicable device, R1 is a qualified MIDI controller that sends more than notes, but also breath control, portamento, program change, and so on.

Add Fingerings as You Like

R1 includes saxophone, trumpet and tin whistle fingering modes. It can also save up to 20 custom fingerings. Nothing will get into your way of creating melody.

True Color of Music

The double cyber-style RGB lights respond to your play, and give you and your audience real-time reflection of your breath, in any color you want. Customize in our Jamkoo App.

Touch-sensing Performance Keys

Perform by touching the keys. Minimal noise and maximum durability.

Shakes and Waves

Use motion control to spice up your tune!
The built-in gyroscope lets you pitch bend, vibrato, and make creative crafts by simply lifting up.

User Patch Bank

Create your own list of patches. Switch between any sound, key and octave in a flash for your stage performance.

Play Horizontal

The only wind controller that can be played both vertically and horizontally. Try out the new horizontal mouthpiece, you'll get a cyber flute!

Food Grade Mouthpiece

Same material as baby pacifier for utmost health protection,
with 3 mouthpiece types available.

Standard Mouthpiece
RMV90

Flute Mouthpiece
RMH87

Soft Mouthpiece
RMV65
