

ROBKOO

- The Way We Play -

Clarii mini
Breathe. Shake. Play.

Robkoo empowers everyone to play music through apps and gadgets that are intuitive and fun. Get rid of noise issue, physical restrictions, and years of practice with our innovative products. Founded by a former Alibaba and WeChat product manager who is also a multi-instrumentalist, we're determined to create more futuristic products in digital arts while keep them easy to use.

TAO Engine

The core of Clarii mini's sound, now upgraded with enhanced performance and control. Experience deeper, more authentic, and expressive sounds. Every nuance of your playing comes to life.

Boosted Dynamics

Expressive Vibrato

Stereo Reverb

Your Sound, Your Choice

Clarii App offers a vast sound library with world's first Sound On-Demand™ technology. Download and enjoy more sounds offline, tailoring your perfect instrument.

Anytime, Anywhere

Clarii mini's HQ built-in speaker is perfect for daily fun, while Bluetooth audio support lets you play along to your favorite songs wirelessly. At just 263g (apple-light), it's ultra-portable.

Motion-Powered Musicality

Sculpt sounds with customizable motion control, adding pitch bend, portamento, and vibrato. And with Shake&Play sounds, you can instantly transform Clarii mini into a shaker, rainstick, or sonic sword.
